

Georgia US Navy Veterans Mesothelioma Advocate Urges the Family of a Navy Veteran with Mesothelioma in Georgia to Call Attorney Erik Karst of Karst von Oiste about Compensation-Don't Play Lawyers Roulette

ATLANTA, GEORGIA , USA, October 26, 2020 /EINPresswire.com/ -- The Georgia US Navy Veterans Mesothelioma Advocate is urging a member of the American Legion or VFW to ask their Navy Veteran friend who has mesothelioma-if he had significant exposure to asbestos in the navy. If the Navy Veteran-friend says yes-please ask his wife to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. Erik Karst is one of the nation's most experienced mesothelioma attorneys and he will know exactly how to help a person like this. Financial compensation for Navy Veterans with mesothelioma frequently exceeds a million dollars-and the claim does not involve suing the navy.

The Advocate says, "Because of the Coronavirus and all of the craziness of 2020 this year might be the worst year for mesothelioma compensation in two decades. We know many people with mesothelioma are not making all of-their medical appointments and many have not started their mesothelioma compensation

process. People like this are literally afraid to leave their home. If this sounds like you, or your loved one-please call attorney Erik Karst of Karst von Oiste anytime at 800-714-0303. Don't play lawyer roulette when it comes to mesothelioma compensation." www.karstvoniste.com/

The Georgia US Navy Veterans Mesothelioma Advocate offers their free services to US Navy Veterans with mesothelioma in Atlanta, Augusta, Columbus, Athens, Macon or anywhere in Georgia.

For the best possible treatment options in Georgia the Georgia US Navy Veterans Mesothelioma Advocate strongly recommends the following health care facilities with the offer to help a diagnosed Veteran, or their family get to the right physicians at these hospitals:

“

"Erik Karst is one of the nation's most experienced mesothelioma attorneys and he will know how to get a Navy Veteran in Georgia with this rare cancer caused by asbestos exposure-compensated."
