“We Insure is an attractive independent insurance model because we provide full support in operations, technology and marketing,” adds We Insure Chief Development Officer Chris Pflueger. “In doing so, the franchise partners can focus on providing superior service to their customers and

growing those relationships.”

We Insure is experiencing high demand from entrepreneurs for its innovative franchise insurance offering. The Florida-based company was created by a former captive agent with a mission to tackle the insurance industry’s biggest challenges. Philip Visali, CEO of We Insure, accomplished this by bringing together the best in choice from independent agencies along with the superior back-end support of captive models.

Ten years later, We Insure has partnerships with the top carriers, and more than 150 total markets, to provide its customers with the ultimate experience of choice and lower rates. The company has deeply invested in state-of-the-art support systems and IT infrastructure to provide agents with seamless servicing so they can focus on developing customer relationships.

We Insure was recently identified by independent research firm Franchise Business Review (FBR) as one of just 80 businesses to qualify for its 2019 Top Franchises for Veterans list and as one of the Top 200 Best Franchises to Buy in 2020. FBR's recognition was based on franchisee satisfaction and performance rankings.
