If you live an on-the-go lifestyle, our new Alma Soprano Ice is the only laser hair removal option for you. You'll be in-and-out in a "New York minute"!

In addition to our laser hair removal options, we offer a wide range of other esthetics services, including full-body waxing, eyebrow threading and tinting, microdermabrasion, and eyelash curling.

Owner and founder Natalia Romaneko, who has been featured as an expert in GQ, The New York Post, and Allure, said of the latter, "Eyelash curling is an excellent and affordable way to boost your look, particularly during the fall and winter months when you may feel stuck in a rut stylistically."

The BriskNPosh eyelash curl-up service costs just \$80 and is a great add-on to any laser hair removal or waxing session.
