GRAND RAPIDS, MI, USA, September 14, 2020 /EINPresswire.com/ -- As audiences continue to embrace the best-selling devotional book, God Hears Her: 365 Devotions for Women by Women, Our Daily Bread Publishing is responding with new and enhanced resources to help women dig deeper on a daily basis. The God Hears Her series of products are designed to bring comfort and encouragement to women every day. Each product is designed to speak to a woman's heart, lift her up, and remind her that God is bigger than the trials she faces.

The all-new God Hears Her 40-Day Devotional Journal will be released October 6th, giving women a meaningful way to connect with God during their quiet moments. This elegantly designed journal is pleasing to the eye and functional for everything a woman wants to enhance her devotional time.

Also releasing in October is, God Hears Her: 365 Devotions for Women by Women, With Daily Scripture Readings. This is the audio version of the popular devotional with full Scripture text.
