

Geocentric Media Seeks Development Partner, Joint Venture, or Potential Acquisition for Iconic Name TheUnitedStates.com.

Major Opportunity Exists for Development of the Domain Name of the World's Most Powerful and Wealthy Country.

SCOTTSDALE, ARIZONA, USA,
September 14, 2020 /

EINPresswire.com/ -- After months of negotiations, Fred Mercaldo, CEO of [Geocentric Media](#), Inc has acquired [TheUnitedStates.com](#). "While I am very pleased to announce this acquisition, we are now faced with the challenge of properly developing this incredible asset" states Mercaldo. "While our expertise lies in the development, monetization, and brokerage of major

US city domain brands, TheUnitedStates.com is potentially a much more complex challenge. We feel a strong responsibility to properly develop this major brand, and we are looking to partner with a significant organization that has the vision and capabilities and staff to best accomplish our goals."

“

While I am very pleased to announce this acquisition, we are now faced with the challenge of properly developing this incredible asset."

*Fred Mercaldo, CEO
Geocentric Media*

Mercaldo is interested in hearing from major media companies, private equity firms, venture capital companies that already have significant investments in related projects, leading digital media agencies, political organizations, and would even consider selling to the right party. Real Estate, Travel and Tourism, Political Interests....the opportunities are unlimited.

Geocentric Media, Inc is currently in the process of

brokering one of the top domain portfolios in the world; 23 major US Cities (All can be seen at
