

Registration for Air Mission Planning and Support Virtual Conference closes in 3 weeks time

SMi Reports: 3 weeks to go until the Air Mission Planning & Support virtual conference

LONDON, FOREIGN, UNITED KINGDOM, September 15, 2020 /EINPresswire.com/ -- With only 3 weeks to go until SMi's 11th annual Air Mission Planning virtual conference delegates will hear the unique perspectives of international military and government personnel on maximising air power support systems, as well as air mission planning and support.

It's vital to understand the upcoming threats and urgent needs of the armed forces facing them. Air Mission Planning and Support 2020 presents itself as a precise and accurate forum for discussion, taking a stand in pushing technological development, bringing together friends and allies, and improving awareness of real-world dynamics.

New US Air Force Speaker Announced

This year, [Dr Jordan Eccles, Senior Data Scientist, US Air Force](#) will provide an exclusive presentation on 'Weaponizing the Drone Effect: Automation and Logistics in the Joint Targeting Cycle'

- The problems of disconnected and outdated applications and tools in the Air Operations Center weapon system, and the limitations of "batch" steps in planning processes
- Overall importance of developing feedback and automation at critical junctures in the AOC

SMi Presents the 11th Annual Conference on...

AIR MISSION PLANNING AND SUPPORT

6 - 7 OCTOBER 2020
VIRTUAL CONFERENCE
