

International shipping Platform Parcel ABC expands it's activities to Morocco

The online shipping platform ParcelABC enters the Moroccan market! From now on, international and domestic shipments can be made to and from Morocco.

LONDON, UK, UNITED KINGDOM, September 16, 2020 / EINPresswire.com/ -- The online shipping platform [ParcelABC](#) enters the Moroccan market! From now on, international and domestic shipments can be made to and from Morocco.

According to Andrius Balkūnas, Morocco is a very important strategic point for the international shipping company. "Parcel ABC is successfully operating in all continents around the globe including Africa. Morocco's transport and logistics sector is rapidly growing and it is one of the biggest tourist destinations around the globe. Yet, the country does not have a affordable shipping services available." says Andrius Balkūnas

"We still have much work to do in Africa and we are working hard to operate in all of the region. Our plan is to be operating in all African countries and offer the best and most affordable delivery services in this area," says Mr. Balkūnas.

Parcel ABC shipping platform brings together large and small courier companies from all over the world and is one of the largest courier networks in the sector. The main goal of Parcel ABC is to make delivery from door to door possible and affordable for everyone, everywhere.

The company recently expanded its activities to a majority of African countries. Parcel ABC now fully operates in the following African countries: Tanzania, Kenya, Uganda, Burundi, Rwanda, Zambia, Malawi, Mozambique, Zimbabwe, South Africa, Botswana, Democrat Republic of Congo, Sudan, Eritrea, Somalia, Madagascar, Egypt, Ethiopia, Tunisia, Ghana, Nigeria, Ivory Coast and Morocco.

ParcelABC's unique system makes it possible to send and receive packages quickly and at an affordable price without leaving your home. The system is built to be very easy to use for a person of any age or technological knowledge. To ship a parcel, all you have to do is enter the addresses of the sender and the recipient.

Also, the system generates you a unique shipping code to track the entire process of delivery online. So you always know when the courier will ring your doorbell.
