Blood in the Low Country takes the reader back in time. The year is 1973, and by all appearances, Monty Atkins has a wonderful life. He lives in beautiful Charleston, SC, his small law practice is growing, and he and his wife are raising two boys. Walker is their own son and Eli is a child from Rose's first marriage, a troubled union she has been running from since its dissolution.

But brewing beneath the surface lurks a conspiracy of lies, about who they are and what they believe. When a brutal murder and a shocking betrayal turn their world upside down, Monty's faith in God and in everything he holds true is stretched to the breaking point. He must decide if

there is anything, he won't risk to save his family. This Southern family mystery will captivate you as the hunt for the killer threatens everything Monty holds dear.

#### About the Author

Paul was born and raised in the Atlanta, Georgia area. Paul and his wife, Lyn, met in college at Georgetown University and were married after Paul graduated from the University of Georgia School of Law. They moved to Phoenix, Arizona in 1988 where Paul embarked on a thirty-year business career before retiring so he could write fiction. Paul and Lyn raised three children together in Phoenix and now split their time between Phoenix and Charleston, South Carolina.

Blood in the Low Country is Paul Attaway's debut novel. Writing this book, along with the move to Charleston, is a coming home of sorts, a return to the South. The history and culture of America's South is rich, complicated, at times comical, sad, tragic, uplifting, and inspiring. Paul hopes that his novels capture even a small bit of this tapestry.
