WICHITA, KANSAS, USA, November 3, 2020

[/EINPresswire.com/](http://EINPresswire.com/) -- The Kansas US Navy

Veterans Mesothelioma Advocate is urging the family of a Navy Veteran with mesothelioma to please call attorney Erik Karst of the law firm of Karst von Oiste to answer their questions about mesothelioma compensation. One vital document that Erik Karst considers to be vital is the Veteran's discharge papers known as a DD214. The DD214 will list the bases, ships, submarines, or shipyards the Veteran might have been assigned to. It is this type of specific information that will allow Erik Karst to design a compensation plan. Frequently mesothelioma compensation claims for US Navy Veterans exceed a million dollars-and the claim does not involve suing the navy. For direct access to attorney Erik Karst of Karst von Oiste please call 800-714-0303 anytime.
