About Expertise.com

Finding the right highly-skilled professional service takes

significant time and effort, including in-depth research, detailed comparisons, and deciphering which online reviews are reliable and authentic. Expertise features only objectively quantified and qualified professional services hand-picked by our selection process. We do the research to understand what’s important when searching for experienced professional services — whether dentists, attorneys, or roofers — so our readers trust that when we say a company is one of the best, it is.

Our proprietary research and selection process identifies the top service professional services in over 200 different industries across the top cities in the United States. Every month we help over 10M customers find the best qualified service professional for their needs. To date, we’ve analyzed over 10M companies and have generated \$200M in revenue for the local businesses we feature on our site. Expertise.com
