

Singer-songwriter Young Sovl Drops Latest Hit, Groove

Groove Available Now on All Major Platforms

LOS ANGELES, CALIFORNIA, UNITED STATES, September 18, 2020 /EINPresswire.com/ -- Multi-talented artist, Young Sovl, releases his latest hip-hop track, "Groove."

"Groove" is a fun, light R&B/soul track that's easy to dance or chill out to. Young Sovl was inspired by old school records he grew up listening to. He began combining all his favorite beats and rhythms together, then sent it to Ray Ali to polish it up. Like its name, "Groove" makes you want to get up and dance, groove to the song, and forget your troubles, even if just for a minute.

Young Sovl plans on shaking up the rap/hip-hop by giving the people what they need, not what they think they want. "When you tired of the turn up or the music that put you in an aggressive energy you'll turn on some Sovl and want to dance, smile, and sing along," says Young Sovl.

"Groove" is available now on [all major platforms](#). Follow Young Sovl on [Instagram](#) for more information and content.
