> " Increasing focus of companies toward display marketing is one of the important factor which support the custom t-shirt printing market to grow at a considerable rate."
>
> *VP- A leading Startup*

Custom T-shirts is becoming one of the most hidden promotional tools for most of the organizations. Schools and colleges are ordering these types of T-Shirts to increase their visibility. Whether it is a top-level or a middle-level institute, these T-Shirts are made available to the students and supplied into the local market too for advertisement. These types of T-Shirts are also becoming a mode of communication. For instance, if a person is wearing a custom T-Shirt of any event, a person besides or around him may show interest in

talking about that specific event or Team. Sports merchandise companies are the early adopters of these custom T-Shirts. These sports endorsement clubs or companies' tie-up with the custom T-Shirt manufacturer companies and provide their T-Shirts with customized logo and design.

In addition to this, increasing demand for t-shirts related to cartoon characters, 3D architectures, and mobile apps creates a great need for such types of T-Shirts. Business to business (B2B), the segment is contributing more towards the growth of this market. Parents are also increasing their choices towards online purchasing and ordering custom T-Shirts for their kids as per their kid's choice. With the number of events coming up, such as the Olympics, cricket world cup, and other events gearing up, the market is expected to show a profitable growth in the coming years. Geographically, The Custom T-shirt Printing Market is divided into global regions like North America, Europe, Asia- Pacific, Latin America, Middle East, and Africa.

Corona Virus has created a great opportunity for this market. Companies are ordering T-shirt for their present employees and new joiners as goodies. Also, online portals either on app or desktop, which require candidates for their jobs such as Urban Company, Unacademy and many companies are sending custom made T-Shirts with their logos to the employees. This has itself created a new avenue for the market.

The primary key players in the Custom T-shirt Printing Market include Threadbird LLC, Discount Mugs, CafePress, Oasis Shirts, Onlyteez, Custom Ink, Uber Prints, Vista Print, Designhill, Big Frog, Real Thread and Blue Gecko (Uk) Ltd.
