

Hammond Lumber Company Announces New Senior Leadership Team

Fourth-generation, family-owned Maine company has appointed internal promotions within Senior Leadership Team and several new roles

BELGRADE, MAINE, UNITED STATES, September 21, 2020 / EINPresswire.com/ -- [Hammond Lumber Company](#) (Hammond) has announced the creation of a new senior leadership team. Mike Hammond, president and CEO of the fourth-generation, family-owned, Maine company has appointed internal promotions and several new roles within the company. Earlier this year, the company was named 2020 ProSales Dealer of the Year.

"Our senior leadership team will help guide the company's overall mission and strategy. The collective talent of this team enables us to drive long-term growth while continuing to build on the family values that have helped us succeed over the past 67 years. Our updated organizational structure is a natural progression of the company's long-term growth strategy that ensures future success for generations to come. We are fortunate to have some of our industry's most experienced veterans on our team, as well as the pipeline of rising leaders in our future. Together, we will continue to build upon our culture with a strong foundation of family values, teamwork and customer centricity," said Mike Hammond, president and CEO of Hammond Lumber Company.

Hammond Lumber Company is the largest lumber and building materials retailer in Maine and

###

About Hammond Lumber Company

Hammond Lumber Company was founded in 1953 by Skip and Verna Hammond with a single sawmill. Today, the fourth generation family business carries a full line of building materials, millwork, kitchen/bath/flooring, home planning design centers and a quality manufacturer of eastern white pine sawing more than 6,500,000 board feet annually, and is one of the largest independent building material retailers in the northeast. Committed to workplace safety, the lumber company has received numerous accolades, including 2020 ProSales Dealer of the Year and the National Safety Council's 2019 Occupational Excellence Achievement Award.
