This year's event offers:

- 100+ on-demand, high-quality professional development workshops, accessible online for 6 months (including mine!)
- A live program that includes compelling speakers, special guests and giveaways

□ Opportunities for SBDCs to come together to reconnect and celebrate the amazing work they do

□ In light of the COVID pandemic, America's SBDC has worked with our presenters to ensure that our course offerings are geared towards providing training that is focused on the new realities and uncertainties that SBDC advisers and their clients are facing. Each workshop has been adapted as much as possible to address these issues.

□ The live portion of the conference will start at 1 PM ET and run to 4 PM ET on Tuesday & Wednesday, Sept. 29 & 30

Registration is open now at <https://americassbdc.org/conference/2020-home/registration/> and details of the Conference Agenda can be found on the ASBDC Conference website at <https://americassbdc.org/conference/2020-home/>.

About Enclavix, LLC and the VentureWrench Startup Community

Enclavix is an Artificial Intelligence software company that creates online tools to accelerate innovation and entrepreneurship by applying artificial intelligence, machine learning and related technologies to identify and curate the highest quality, most useful resources to coach and support startup entrepreneurs and to tackle intellectual property challenges. The company has received over \$1.2 million in funding from the National Science Foundation through the SBIR program to allow the launch of the AI – powered VentureWrench Library. The VentureWrench Startup Community combines artificial intelligence and advanced software with rich content to help entrepreneurs bring capital into their business, solve problems, answer questions and help them move their business forward.

The startup coaches and creators of the VentureWrench Startup Community, the team at Enclavix, LLC, are experienced entrepreneurs who have started multiple businesses, raised millions of dollars in investment from investors and the SBIR program, and sold their prior company to a public firm. Our CEO has also mentored and provided grant funding for dozens of
