

# Arkansas US Navy Veterans Mesothelioma Advocate is Urging the Family of a Navy Veteran with Mesothelioma in Arkansas to Call Attorney Erik Karst of Karst von Oiste-Get Answers About Compensation-Not a 'free' Booklet

LITTLE ROCK, ARKANSAS, USA,  
November 13, 2020 /

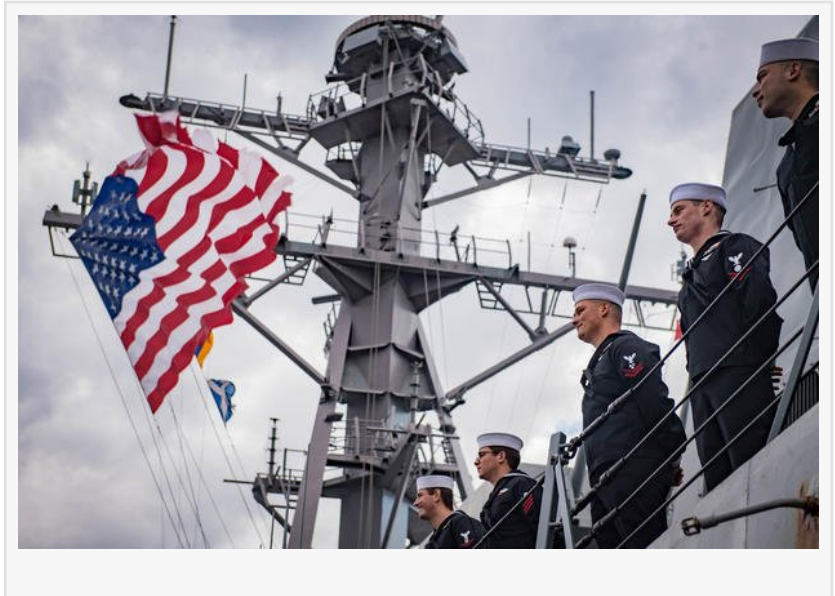

EINPresswire.com/ -- The Arkansas US Navy Veterans Mesothelioma Advocate says, "We are appealing to the wife or adult son-daughter of a Navy Veteran with recently diagnosed mesothelioma anywhere in Arkansas to please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for specific answers about mesothelioma compensation. This is a much better option than a 'free' kit, guide, calculator, or booklet about mesothelioma. The reasons law firms sponsor this nonsense--is they want to get the name and phone number for people with mesothelioma--and then hassle them around the clock-until it gets so bad the person with mesothelioma and their family are afraid to pick up their phone-or answer their door. We are not exaggerating.

"The reason we have endorsed attorney Erik Karst of Karst von Oiste is because he is one of the nation's most skilled mesothelioma attorneys and he and his remarkable colleagues at the law

firm of Karst von Oiste have been assisting Navy Veterans and people with mesothelioma for decades and they are responsible for over a billion dollars in compensation for people like this. Mesothelioma compensation for a Navy Veteran with mesothelioma can frequently exceed a million dollars as Erik Karst is always happy to explain anytime at 800-714-0303."
