Jason Marascio

“Carrollton is one of our favorite communities for property management because it is just fun to visit,” explained Jason Marascio, CEO of North Texas Property Management. “It has so many parks, restaurants, and things to do, plus it's in a beautiful setting. It's no wonder that investors are snapping up single-family homes and rental properties in it, and then wondering where they find a property management company nearby. They can educate

themselves via our new blog archive, perhaps while they social distance, eat lunch in a park, and marvel at the coming fall here in North Texas.”
