

# Rising Pop/Rock Artist Starliner Drops “Never Satisfied” Music Video

*Music video for Starliner’s debut single is out now on YouTube*

LOS ANGELES, CA, UNITED STATES, September 25, 2020 /EINPresswire.com/ -- Starliner has now released a brand-new music video alongside his debut single, “Never Satisfied.”

The music video features a high-energy, rock-n-roll inspired performance by Starliner, including animated clips inspired by Stanley Kubrick’s 2001: A Space Odyssey. The video is a fitting visual matching the energy and motivational theme of the song.

“Never Satisfied” has its foundation in rock music, but the synths, addictive melodies, and other pop elements included create a unique pop/rock blend. This single is just the first of Starliner’s upcoming releases, and has garnered attention from publications such as Thrive Global and Music Existence.

Formerly the lead guitarist for the band The Drugstore Gypsies, Starliner still has a lot more in store for his fans.

“I would like to just spread positivity,” he said in a recent interview. “I think people underestimate the power of a smile.”

The music video is available on YouTube, you can access it [here](#). Also, be sure to follow Starliner on [Instagram](#) and [Facebook](#) to stay up to date on what he’s got coming out next.
