

MicroTech CEO Joins the Hollywood Elite to Introduce Movie for the AFI Movie Club

TYSONS, VA, UNITED STATES, September 25, 2020 /EINPresswire.com/ -- Tony Jimenez, Founder, President & CEO of [MicroTech](#) and a member of the American Film Institute's National Council and Corporate Council, has been selected to kick off AFI's Hispanic Heritage Month series for AFI Movie Club by introducing the movie "El Norte." The series is a focus on Latinx stories that will run each Friday for the duration of National Hispanic/Latinx Heritage Month. You can see Tony's intro on Sept. 25 beginning at 10 a.m. PDT/ 1 p.m. EDT at [AFI.com/MovieClub](#).

Also, on Sept. 25, the historic AFI Silver Theatre and Cultural Center in Silver Spring, MD, is launching its 31st edition of the AFI Latin American Film Festival. The festival is one of the largest and longest-running showcases of Latin American cinema in the United States and has been re-imagined this year as a vibrant virtual showcase. This year's wide-ranging selection of films spans international festival favorites and award winners, local box-office hits and dynamic debuts from a new generation of Latin American filmmakers. The majority of films in the festival will be available to view online from anywhere in the United States. For tickets and more information, visit [AFI.com/Silver/LAFF](#).

About AFI Movie Club

AFI Movie Club is a newly launched program to raise the nation's spirits by bringing artists and audiences together – even while we are apart. AFI selects iconic movies for the world to watch together, creating a communal viewing experience.
