King has taken the Adult Entertainment Industry by storm, partnering with Jet Setting Jasmine to form Royal Fetish Films. The company has celebrated three industry Fetish Awards for Orally Yours (2016), Collared in Shadows (2017) and Sacred Sex (2018). King brings his directorial and editing skills to each set creating art and beauty, in spaces that have been long neglected for people of color in Kink. The duo's love of the arts, film and sex education are combined to produce erotica that stimulates and engages the audience to explore their sexual boundaries.

King is also very proud of his contributions to the music industry. His start in entertainment, as a hip-hop artist under the name Hasan Salaam, achieved Best Underground Song of the Year and Best Live Performance for the Underground Music Awards. He has also been featured musically on MTV UK, Fuse, NBC and CSPAN. He has performed internationally with music veterans, Outkast, Damian Marley & Redman and continues to add to his music catalogue with the launch of The Royal Fetish Experience.
