

# Cliperie.com Shows Sustainable Growth Over the First Two Years

MARTIGNY, SWITZERLAND, September 29, 2020 /EINPresswire.com/ --

Launched in September 2018, the platform [Cliperie.com](https://cliperie.com) by [Aicue LLC](https://aicue.com) shows sustainable growth over the first two years. The number of visitors grew by 90.6% in the second year, resulting in more than 223 thousands visitors in the second year.

Since its launch, the platform has linked over a hundred compelling clips from audience videos directly on the web. From concerts to social events, Cliperie.com synchronizes videos from multiple sources, creates editable clips and gives the ability to have a more personalized viewing experience.

The platform keeps evolving every month by making more immersive and interactive video experiences, enhancing user engagement and improving further compatibility with wider range of devices. The platform reached zero-carbon target in 2019 and since then runs exclusively on renewable energy.

Cliperie.com enables the simplicity of usage via automation of underlying technologies. The native support of the latest web standards allows seamless access to the platform from the most popular HTML5-enabled browsers on mobile phones, tablets and personal computers.

[Aicue](https://aicue.com), headquartered in Switzerland, is a technology company that brings innovative ICT solutions to the market. Built upon many years of research and development, Aicue targets to change the way audience videos are consumed on the web.
