

Aleddra Emergency LED T5 Lamp Now DLC Listed

Aleddra's 2-in-1 Emergency T5 LED is now DLC listed for utilities rebate.

RENTON, WASHINGTON, UNITED STATES, September 29, 2020

/EINPresswire.com/ -- Aleddra, a

Seattle-based high-tech lighting

company, announces today its Gen2

[Emergency T5](#) LED is now DLC listed for

utilities rebate. This 2-in-1 EM T5 tube

provides 2900lm at 22W during normal

operation which is equivalent to a

standard LED T5 tube. The patented

Aleddra T5 EM tube was designed

using a T8 body to house the built-in

battery. The endcaps have off-centered

G5 bi-pins allowing for easy installation into most T5 fixtures. Additional features include:

- 2900lm at 22W during normal operation (130 lm/W)

- 90+ minutes on battery during power outage (420 lm on battery)

“

This is the first "industrial strength Emergency T5 lamp" that is DLC listed for utilities rebate application.”

Matthew Maa

- Can operate with a wall switch.

- Can be wired to support always-on lighting application.

- Can be wired to support emergency-only lighting application (normally off)

- ETL certified

- 5-year warranty

First DLC Listed Emergency LED T5 Lamp
