

Oasis Corporate Housing Named to Short List of Recipients for Prestigious Cartus Masters Cup Award

Highest Honor Bestowed by Cartus Global Network Will Recognize Winner's Outstanding Service and Performance.

TAMPA, FLORIDA, UNITED STATES, September 28, 2020 /EINPresswire.com/ -- [Oasis Corporate Housing](#) ("[Oasis](#)") has been named to the short list of finalists for [Cartus](#) Corporation's Masters Cup Award at its 2020 Global Network Conference, to be held virtually from October 7-16, 2020. The Cartus Global Network is Cartus' industry-leading worldwide service provider network. Each year, Cartus recognizes the companies and individuals in the Network that have provided extraordinary service to its worldwide base of customers and clients. We are excited to announce that this year's theme is "Foresight is 20/20." Our annual event welcomes over 360 Network members, representing 180 companies from 42 countries.

Oasis has been nominated for the Cartus Masters Cup in the category of Corporate Housing & Serviced Apartment Services. Presented annually to our highest-achieving Global Network members who have previously received top awards, the Cartus Masters Cup recognizes a service provider that has achieved exceptional standards of quality. Winners must show collaboration in developing cost-effective and innovative approaches for Cartus clients, and demonstrate outstanding performance and commitment—not only to Cartus' vision and values but also to our mission to deliver proactive, flexible solutions that meet the unique needs of our clients and their employees, every time.

Over seven (7) years ago, Oasis began by servicing limited markets in the U.S. Those limited markets have since grown into being one of a limited number of global suppliers. That growth has been based on Oasis' strengths, including full organizational engagement when developing the best-in-class strategies to meet client objectives, open-mindedness, and flexibility. Oasis' operational excellence is evidence that their methodical approach to continuous improvement has successfully earned them the trust of the Cartus team and our clients.

STEVE FREY, CEO, OASIS, "OUR COMPANY BELIEVES IN PROVIDING HIGH-LEVEL SERVICE AT EVERY OPPORTUNITY. CARTUS' RIGOROUS CRITERIA AND PERFORMANCE STANDARDS MAKE THIS NOMINATION AN HONOR IN AND OF ITSELF BECAUSE IT RECOGNIZES OUR DEDICATION, BUT IT ALSO REFLECTS COMMON GOALS THAT BOTH OF OUR COMPANIES PROUDLY SHARE."
