

Drane Ranger Celebrating 36th Year in Business

An industry leader in liquid waste services in Houston has reached a new milestone.

HOUSTON, TEXAS, UNITED STATES, September 29, 2020 /EINPresswire.com/ -- According to statistics from the Small Business Administration (<https://www.sba.gov/sites/default/files/Business-Survival.pdf>), half of all small businesses fail within the first five years of opening, but thanks to determination, hard work, and focus on providing excellent customer service, Houston-based Drane Ranger is celebrating 36th year in business.

“We consider it an honor to service our customers and to be able to do it for as long as we have,” said Jeb Woods, spokesperson for Drane Ranger. “We’re excited about the future and we’re committed to doing everything that we can to take our services to the next level of success.”

Drane Ranger’s services include [general wastewater services](#), [grease grit and lint traps](#), [lift station](#), septic tank (<https://draneranger.com/services/septic-tank/>).

“Our many liquid waste solutions are designed around your convenience and needs,” Woods pointed out, before adding, “Rather than forcing you into package deals that do not properly address your unique needs, we offer customizable liquid waste solutions that ensure you get what you need at a price that you can afford. Everything we do is built on our commitment to doing the absolute best job possible. That means exceeding your expectations while ensuring our team is trained, certified and obeying the rules and regulations around the industry.”

As an accredited member of the Better Business Bureau, Drane Ranger, according to Woods, is committed to providing the best experience for every single one of its clients. The company’s extended service area includes: Houston, Pearland, Alvin, and Sugarland.

Drane Ranger's services focuses on customer needs and compliance with the laws and regulations of Houston. The company prides itself in making waste management simple, giving customers multiple options for pickup, disposal and management.

Woods went on to note that everything Drane Ranger does is built on its commitment to doing the absolute best job possible.

"That means exceeding your expectations while ensuring our team is trained, certified and obeying the rules and regulations around the industry," Woods said. "We've enjoyed serving customers for the past three decades and we're excited about the things to come."
