

Improving UX via Liquid's Buy & Swap

Liquid users can now enjoy competitive pricing, transparent fees, and instant execution in over 50 fiat currencies and VISA cards available globally.

SINGAPORE, September 30, 2020 /EINPresswire.com/ -- How to get crypto fast for farming, staking, or diversifying your portfolio?

Though the world may be undergoing turbulence, 2020 has been an exciting year for blockchain enthusiasts and

cryptocurrency traders. The DeFi movement has been taking the digital finance world by storm, and there's been no end of intriguing price action, including the return of BTC to 5-digit realms. Innovations in the realm of cryptocurrency extend beyond the currencies themselves, into exchanges as well - and [Liquid](#) is proud to be a leader in making the purchase of cryptocurrency easier than ever before with its [Buy and Swap](#) feature.

“

We designed Liquid Buy and Swap for the 99% of the population that wants to get into crypto, but don't know where to start. A simple, easy to use UX to drive cryptocurrency adoption to the next level.”
