“

Medicare is needlessly complex and creates significant stress for many people. Our AARDY Medicare Cost Support guide does a wonderful job in trying to pull all of this together.”

AARDY CEO Jonathan Breeze commented:

“Medicare is needlessly complex and creates significant stress for many people.

Here are what new Medicare customers have to contend with:

- Medicare Part A – Hospital Insurance
- Medicare Part B – Medical Insurance
- Medicare Part C – Private alternative to Part A and B, also known as Medicare Advantage
- Medicare Part D – Prescription Drugs

Confusing enough, but we haven't even scratched the surface.

On the cost side of things, we have:

- Premiums
- Copayments
- Coinsurance
- Deductibles

And, when customer have gained some understanding of these topics, they are probably going to have to look at how a [Medicare Supplement](#) (also known as Medigap) might help moderate some costs.

Our [AARDY Medicare Cost Support](#) guide does a wonderful job in trying to pull all of this together.

Thereafter, each topic is expanded upon in simple English.

As always, our world-class team of agents are at hand to discuss the different Medicare Costs and Benefits.'

Each year, between October 15 and December 7, Medicare provides an opportunity to sign up or change plans during the Annual Enrollment Period (AEP).

AARDY donates 10% of annual profits each and every year to support AARDY Kids of Heroes™ charity partners.

Through 2020, AARDY is supporting Special Operations Warrior Foundation, a truly inspirational charity.
