

# Washington Mesothelioma Victims Center Offers A Piece of Advice for a Person with mesothelioma in Washington or their Family-- Please Call Attorney Erik Karst of Karst von Oiste for His Focus on Your Compensation

SEATTLE, WASHINGTON, USA,  
November 20, 2020 /

EINPresswire.com/ -- The Washington Mesothelioma Victims Center says, "We do not want a person with mesothelioma anywhere in Washington State to waste their time on law firm gimmicks such as 'free' booklets, kits, guides, calculators or lawyer call centers when the can get the answers to the questions about mesothelioma with one phone call. If we had a piece of advice to a person

with mesothelioma in Washington State or their loved one it would be please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 and get insights into the compensation process from someone who knows what he is talking about. Erik Karst is one of the nation's leading mesothelioma attorneys-and he can help you.

“

"Please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 and get insights into the mesothelioma compensation process from someone who knows what he is talking about."

Victims Center*

"Because of the Coronavirus there is a good chance a person with mesothelioma in Washington State was at least initially diagnosed with COVID-19. As a result, they may have been diagnosed in a later stage. We also know that because of the unrest in Seattle some people with mesothelioma in other parts of the state do not want to get their medical treatment in Seattle. The last thing we want a person with mesothelioma in Washington State is to put off their compensation. If this sounds like you or

your husband or dad-please call attorney Erik Karst of Karst von Oiste to get the compensation process started. For direct access to attorney Erik Karst of Karst von Oiste please call 800-714-0303 anytime."

For the best possible mesothelioma treatment options in Washington the Washington Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this treatment facility. The Center believes this treatment facility for mesothelioma to be one of the best in the nation.

Fred Hutchinson Cancer Research Center and the UW Medical Center called the Seattle Cancer Care Alliance, in Seattle, Washington: <https://www.seattlecca.org/>.

High-risk work groups for exposure to asbestos in Washington State include Veterans of the US Navy, hydro-electric power plant workers, shipyard workers, nuclear power plant workers, oil refinery workers, pulp and paper mill workers, factory workers, plumbers, electricians, miners, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.
