WEST VANCOUVER, BC, CANADA, October 1, 2020 /EINPresswire.com/ -- Vancouver-based jewellery designer and businesswoman Sahar Barati creates feminine, luxurious earrings inspired by her past international travel experiences. From Morocco and India to Lebanon and Persia, Barati shapes her designs with each country's vibrant colours, culture, and fashion in mind.

Her whimsical designs for [Sahar BMD](#) are created with high-quality materials like precious metals and shimmering cubic zirconia. Influenced by fairy tales, nature, and Alice in Wonderland, Barati's earrings send those who catch a glimpse to an exotic dreamland.

Many of her creations are reminiscent of Disney characters and look as if they could be worn by the princesses. The lavish collection features shapes like flowers, birds, hearts, ladybugs, and more.
