

Registration opens for SMi Group's 6th Annual Maritime Reconnaissance and Surveillance Technology Conference

SMi Group reports: Registration and agenda is now available for the Maritime Reconnaissance and Surveillance Technology conference in London, next February

LONDON, LONDON, UNITED KINGDOM, October 1, 2020 /EINPresswire.com/ -- Now taking place for the first time in the UK, SMi Group are delighted to announce the return of the [6th Annual Maritime Reconnaissance and Surveillance Technology](#) Conference, taking place in London on the 3rd and 4th February 2021, as well as a pre-conference workshop with C-SIGMA on 'Space-Based Maritime Awareness' on 2nd February 2021.

With the previous events taking place in Rome, the event has brought forward a discussion on the growing need for more comprehensive and sophisticated Joint Maritime ISR capabilities in the Mediterranean and beyond, particularly following the Migrant Crisis that remains.

The following platforms and topics will be discussed: Unmanned ISR platforms, Space-based Maritime Reconnaissance, Fleet Air Arm ISR capabilities, Sensors at Sea and more.

For those interested in attending, the biggest early bird discount of £400 is expiring on the 30th September 2020. Register at <http://www.maritime-recon.com/pr1>

With a global line-up of presentations from top military personnel from nations such as the UK,

Maritime Reconnaissance and Surveillance Technology 2021
