**Covid-19 Scenario:** The emergence of Covid-19 has drastically impacted the global honeycomb sandwich material industry.

- As per the United Nations Conference on Trade and Development (UNCTAD), the outbreak of Covid-19 has impacted the global FDI by 5–15%. This negative impact on FDI investment hampered the manufacturers due to the dearth of raw materials and lockdown across various countries.

- As the manufacturing sector is a major part of a country's economy, the governments are focused on encouraging the manufacturing sector. This would help regain growth rate of honeycomb sandwich material market post this pandemic.
