

# With fires blazing around the world... How did one woman turn losing her home to a fire into a good thing?

*Kim Stanwood Terranova, author of "The Technology of Intention," joins Jennifer Hill on Awake TV Network this Monday at 12pm PT to facilitate a free meditation*

LOS ANGELES, CA, UNITED STATES, October 1, 2020 /EINPresswire.com/ -- Kim knows all too well what it takes to "Rise From The Rubble" of challenges in life.

In recent California fires, her Malibu home was completely destroyed leaving only a statue standing (before and after photos of her home included). Rather than let this discourage her, Kim used this experience to propel positive and miraculous changes in her life. Utilizing her years of experience in teaching others how to "Rise from the Rubble" of their own challenges, fear and heartbreak, Kim's principals remains the guiding light in her work today.

This Monday, October 5th, Kim joins Jennifer K. Hill at 12pm PT on [Awake TV Network](#) for a free [Coalition for Global Unity](#) meditation.
