

Seafood Month Celebrated with Fisheries Council of Canada's Webinar Series

October's "Innovating for the Future" Online Event will Feature Canadian Leaders from Ocean to Ocean to Ocean

MONTREAL, QUEBEC, CANADA, October 1, 2020 /EINPresswire.com/ -- The [Fisheries Council of Canada \(FCC\)](#) is exploring new waters this year with an October webinar series featuring leaders from across Canada's fisheries industry and ocean economy.

The series, which will launch on October 5th and flow through October 30th, will focus on "Innovating for the Future." It will feature video interviews, a live presentation and Q&A, keynote addresses and panels which will be hosted on [TheFutureEconomy.ca](#), FCC's official partner.

The line-up is full of great speakers and a few of the topics that will keep you hooked are biodiversity and sustainable fisheries management; the role of superclusters in driving innovation; how to keep Canada's fisheries industry sustainable; and how to secure Canada's position as a global leader in the ocean economy.

You can view the entire schedule below and can register (for free) for the Live VIP Presentation and Q&A with John Sackton, Founder of Seafood News [here](#).
