"We understand enlisting the help of professionals to care for loved ones is a tough decision to make," said Rick. "We want the Omaha community to know we'll treat your family like we'd treat our own family. And we want to ease the stress of the transition to an assisted living community, when the time comes."

The Papillion franchise office is located at 10791 S. 72nd St., Suite #104, and serves Bellevue, Offutt, Ralston, Chalco, La Vista, Council Bluffs, and Center Lake. Their new Omaha office location will be established at 9829 S 168th Ave, Suite A in 2021 with a central satellite office located at Terrace Plaza, 11414 W Center Rd. They will also serve Elkhorn, Fremont, Blair, Wahoo and Gretna as well as the Iowa communities of Council Bluffs, Crescent, and Glenwood.

To A Place At Home co-founders, Jerod Evanich and Dustin Distefano, awarding franchises to the right people is an important part of fulfilling their mission: "To be passionate professionals providing the compassionate care solutions you need, when and where you need us."

"Reaching this major goal of ours, the sale of our original location, means we can now focus solely on the franchise side of the business and continue finding great people to make successful owners," said Jerod Evanich, President and Co-Founder of A Place At Home.
