Since 2005, Platinum Protection Group Inc. grew to provide niche security services in multiple states specifically tailoring themselves to support customer service-based security roles that would have otherwise been unserviceable from larger competitors.

The kicker is how their values are consistent with our own - which is a win-win for our clients and our employees," said Mark Van Holt, President of PPG. Mark will join AEGIS as Vice President of Special Projects and will continue to service AEGIS clients in need of bespoke security, investigative, training, or consulting solutions.
