“Research has shown that environmental elements, whether it be COVID 19 or the California fires, that children's academic achievement has suffered” stated John Ochinerio, Founder and CEO of PILLARZ. “Further, clearly over 90% of parents are deeply concerned about their child's future”.

PILLARZ LLC offers K-8 science-based intervention in Language, Math, Social Studies and Science as well as Special Education with class sizes capped at five students.

“All of our programs begin with a detailed diagnostic and assessment evaluation of the young scholar so that we

clearly understand where to laser-focus our instructions to ensure that the young scholar exceeds their academic goals” Ochinerio said. “Given the current environment, we are offering our comprehensive Diagnostic and Assessment feature for free without obligation” concluded Ochinerio.

Logistics: How to Receive Your Child's Free Diagnostic & Assessment

Parents need only go to the PILLARZ LLC site (www.pillarzllc.com) and complete the Diagnostic & Assessment form. There is also the option for a free Parent consultation. There is no need to download an App or provide a credit card. There is no obligation of any kind.

The Diagnostic Assessment for Math and Language Arts takes a combined time of approximately two hours. Progress is retained so the child may complete the process over separate sessions. A detailed Assessment Report will be provided within 24 hours of completion.
