US Lighting Patents in 2019

According to Dr. Matthew Maa, VP Sale & Marketing, "If using the metric on the total number of awarded patents thus far per R&D engineer, Aleddra has over 15 US patents per engineer.

“

Aleddra has over 15 US patents per engineer, which makes it the NO. 1 innovator in LED lighting industry in the world.”

Matthew Maa

Unabashedly, this makes us the NO. 1 innovator in LED lighting industry in the world, excluding non-practicing entities (IP holding companies). We take great pride in such accomplishment. Aleddra pledges to continue its technology drive for the benefit of its distributor partners, customers, and end users in all sectors and geographic areas.”
