PLEASANTON, CALIFORNIA, UNITED STATES, October 6, 2020

/EINPresswire.com/ -- [RapidValue](#) was named winner of 'Outstanding Support during COVID-19' category at the 2020 Best Business Awards.

RapidValue Solutions, a global leader in digital product engineering services, was recognized for its proactive and commendable approach during the on-going COVID-19 pandemic. The organization has taken proactive steps to ensure employee safety, job security, and customer success.

The BBAs pride themselves on having a large panel of independent expert judges who select winners according to strict criteria for each category and sector. Commenting on RapidValue Solutions, the winner in the Outstanding Support during COVID-19 category, the chairman of the judges said: "During the pandemic crisis, RapidValue Solutions put its staff first and made a brilliant effort to protect jobs, keep its people safe and maintain customer service. To support working at home, the company made sure people had the right equipment and deployed innovative ways to keep the staff engaged. Customers were supported with excellent communication from the delivery teams. RapidValue's response was well planned and executed, enabling it to run almost as normal without disruption to customers."

Upon receiving the Award, Rajesh Padinjaremadam, President & CEO, RapidValue, said: "We are elated to receive the Best Business Award in recognition of the tremendous effort put forth by our team during the on-going COVID-19 situation. Along with ensuring job safety across all levels of the organization, the health and well being of our associates, and ensuring productivity and business continuity were on the top of our priority list during the global pandemic. I thank Best

During the pandemic crisis, RapidValue Solutions put its staff first and made a brilliant effort to protect jobs, keep its people safe and maintain customer service.”

Chairman of the Judges, Best Business Awards

Business Awards for acknowledging and appreciating our hard work during these testing times of COVID-19 and rewarding us for that.”

RapidValue has taken the necessary measures for the safety of their employees, ranging from mandatory Work from Home, restricting travel to intensifying workplace measures, and constituting rapid response plans. Even during the pandemic, they have come with innovative ways to keep employees connected and engaged. This includes virtual town-hall with their leadership team, virtual jamming sessions, and online training programs.
