

yAI.Finance vault mining rewards & ORAI governance token

Oraichain's FIRST product using AI services on Oraichain to perform yield farming. ORAI token is used as the governance token of yAI.Finance.

SINGAPORE, October 7, 2020 /EINPresswire.com/ -- Yield farming has been becoming more popular in the cryptocurrency world, which is proved by the fact that there are approximately 200 vaults and 2000 pools. The new financial products (a.k.a DeFi) bring more investment opportunities, but come with a lot of risks. How investors understand the risk they is taking, monitor their investment, and maximize the yield. Let's find out in yAI.Finance of [Oraichain](#).

The seed sale of ORAI is open until October 15th: <https://forms.gle/3eDkXWmb8s6w49zH8>

What yAI.Finance offers

- * [AI-based vaults](#): farming strategy is optimized based on metric of ROI, Risk score, and Price prediction that are provided by Oraichain.
- * Metric of ROI, Risk score, and Price prediction of all pools and vaults.
- * Tracking your investment on all pools and vaults.

How to join yAI.Finance [vault mining](#) rewards

- * Any user can deposit USDT into yAI.Finance vault mining contract on <http://yai.finance> started from October 9th, 2020 at 21:00 SGT with rewards enabled.
- * There are 60,200 ORAI every week rewarded to vault owners based on their shares on the vault. The number of rewarded tokens is captured and calculated on Friday at 21:00 SGT every week.
- * Reward tokens are sent on-chain on Friday at 21:00 SGT every week: 25% of reward tokens are unlocked and 75% are locked until Oraichain public sale next year.

Why you should keep ORAI governance token

- * ORAI token holders can deposit it into ORAI vault of yAI.Finance.
- * ORAI staking on yAI.Finance governance can get 5% performance fee and 0.5% withdrawal fee from other vaults, such as USDT and ETH.

Has the code been audited?

- * We have a plan to audit yAI.Finance smart contracts during our private sale.
- * From this survey from Andre@Yearn.finance (<https://twitter.com/AndreCronjeTech/status/1294502312958926848>), we are considering auditing yAI.Finance based on community votes.
- * For the coming yAI.Finance vault mining rewards program, we cannot complete the audit, so please use at your own risk.
- * For the security of vault deposit and vault mining, we are going to do peer review and will have a report on each part of source code. We hope investors can take some relief.
- * At the beginning of yield farming, we are based on a metric of (ROI, Risk score, and price prediction) to choose the best strategy among ones we copied from known vaults, such as YFI. So it is a kind level of trust on strategies that we are going to deploy.
- * In order to increase the trust of yAI.Finance, we will deposit our own USDT from our crowdfunding wallet. This wallet is also the ORAI deployer. Our wallet: <https://etherscan.io/address/0x8ae1874f2f9f26eeecf1855adec19f530e3cdeaa>
