Amerlise is a nine-time award-winning trailblazer who has been featured in Vogue UK, Flare, Glamour, Huffington Post, and more.

TORONTO, ONTARIO, CANADA, October 7, 2020 /EINPresswire.com/ -- World-renowned supermodel, Nini Amerlise, is pleased to announce she recently completed an exciting project – modeling virtually for Creaky Joints & Michael Kuluva's brand-new Tumbler and Tipsy Collection.

Nini Amerlise is a stunningly beautiful International Supermodel, nine-time award-winning motivational speaker, author, and CEO/Founder of the non-profit organization, [We Are Royals Inc.](#) Amerlise consistently demonstrates a high level of drive, consistency, and a dynamic ability to adapt to her environment – skills that have helped to catapult her into stardom.

Since March, COVID-19 has launched varying virtual avenues and Nini Amerlise proudly shares the We Are Royals platform with Michael Kuluva. The two connected after Amerlise won season 1 of Supermodel Canada, with Kuluva taking the role as Amerlise's annual booker for New York Fashion Week and for his own fashion campaign, Tumbler and Tipsy Virtual Presentation S/S 21 Collection – The Newest Normal. This virtual presentation is a collaboration with Creaky Joints, a notable arthritis organization, with its premier collection viewing party being held on September 16th, 2020 at 8PM EST.

Nini Amerlise, who is compassionate towards Michael Kuluva's diagnosis of rheumatoid arthritis, sees virtual platforms as the ultimate chance to advocate for social distancing and limit the spread of COVID-19 – all while serving pizzazz without making any apologies. For example, Amerlise has done previous virtual modeling work with www.virtualfashionshow.net, a platform that helped to save NYFS. Through her incredible success, Amerlise has defied all odds, while recognizing and being respectful of social distancing during the global pandemic.
