

# Total ABA Awarded Company of The Year 2020 in Healthcare Insights Magazine

*Total ABA, a leader in Behavioral Health software solutions, is recognized by Healthcare Insights Magazine, October 2020.*

TEMECULA, CALIFORNIA, UNITED STATES, October 8, 2020

/EINPresswire.com/ -- "We at Total ABA are all honored to be recognized with this award," said Larry Morgan CEO for Total ABA. "It is our privilege to enable so many therapists and clinics with these powerful software solutions, and outstanding service and support, so they can increase the productivity and the quality of lives for themselves and those that they serve, every day."

Applied Behavioral Analysis (ABA) therapists and clinics face many challenges helping children and adults with autism spectrum disorders. ABA therapists strive to give their time, energy, and attention to those they serve; however, the strenuous paperwork, challenging schedules, and

demanding preparation can hamper their ability to do their job most efficiently. For clinics, the problem is compounded with additional issues such as staff management, billing, and reporting functions. So, how do we overcome these challenges?

The smart answer is to introduce practice management software to make certain that running the business does not compromise the quality of therapy service. When it comes to the ABA industry, Total ABA is a smart solution – a powerful, cloud-based, HIPAA compliant software system, and the only ABA solution hosted on the

Salesforce platform. Total ABA is specifically designed to solve the business needs for ABA, Speech, Occupational and other Behavioral Health therapy professionals. It delivers solutions for the full range of business needs: practice management, smart scheduling, parent portal, data collection, and billing. Its robust features, ease-of-use, reliability, and security makes Total ABA the popular choice for thousands of therapists and clinics that use it every day.
