

Multiverse Media LLC Acquires NewSpace Global

World's leading online source for news and information about the NewSpace industry to be re-launched January 1st, 2021

DENVER, COLORADO, UNITED STATES, October 8, 2020 /EINPresswire.com/ -- Multiverse Communications LLC, a subsidiary of Multiverse Media LLC, a leading media company focused on space and technology, announced today they have acquired the assets of [NewSpace Global](#), a leading commercial space industry analysis firm. Terms of the acquisition were not disclosed.

Founded in 2011 by Richard Rocket and Lonny Israely, NewSpace Global was the first company to systematically analyze the NewSpace industry in support of providing high-fidelity market intelligence about this dynamic emerging commercial landscape. The company is known for its market-leading database of industry players featuring over 1000 commercial enterprises ranging from Fortune 500 companies to startups, as well as its cutting-edge market reports covering topics ranging from small sats to emerging launch technologies to on-orbit additive manufacturing. Using a proprietary algorithm to track and predict industry trends, NewSpace Global's online analytics platform brings together industry news and proprietary insights to create value-added information to its subscribers.

"NewSpace Global was founded with the mission of equipping the next generation of space entrepreneurs with the information tools they will need to make commercialization of space possible. We are excited to have Multiverse Media now take NewSpace Global's industry-leading online analytics platform to the next level," said NewSpace Global CEO Allison Odyssey.

In addition to continuing to provide world-class proprietary information to leading clients, Multiverse Media LLC will re-launch the NewSpace Global site with an added focus on global news and information on January 1st, 2020.
