  - Power Apps Beginners Guide

KWizCom along with the Collab365 Team invites SharePoint and Microsoft 365 users to join them and thousands of others at GlobalCon4 to learn Microsoft365 together.

“Now that we're into a 4th iteration of the GlobalCon events, we've learned a lot about what
makes a virtual summit special for attendees. For GlobalCon4, we've made massive improvements to our conference platform allowing us to offer more varied session formats such as drop in rooms, 'Ask The Expert' sessions and round-table discussions,” says Mark Jones, CO-Founder and Director of Collab365 and Collaboris. “These new formats, give attendees several opportunities get more involved in the wider Microsoft 365 discussions happening. GlobalCon4 also boasts 2 Turbo Tuesdays offering shorter, "how to" sessions, which means there's something to suit every taste!"

By attending GlobalCon4 you will gain new skills around products like Microsoft 365, MS Teams, and the Power Platform, see what the latest updates and changes are in the Microsoft 365 space and much more.
