

LightWerks' Virtual Trade Show: Forward Thinking – Tech Solutions for the Safe Return to Work and School

CARSON, CA, UNITED STATES, October 9, 2020 /EINPresswire.com/ -- Top AV Systems integrator, [LightWerks](#) Communication Systems Inc. will host a [virtual trade show](#) on October 22, 2020 from 8:30 am to 5 pm PST. The event, entitled "Forward Thinking – Tech Solutions for the [Safe Return to Work and School](#)," is open to the public via the Zoom Webinar platform, and is targeted towards both the corporate and education customers. The virtual trade show will feature presentations by leading audio visual manufacturers such as Logitech, Legrand, and Extron, and will specially focus on how technology integration leaders are strategizing to create practical, innovative, and relevant solutions that will support schools and corporations as they reopen. In addition to a strong lineup of manufacturer presentations, the event will include an exclusive keynote presentation by Wolcott Architecture, as well as generous prizes and giveaways throughout the day.

The promotional graphic for the LightWerks Virtual Tradeshow is a square divided into four quadrants. The top-left quadrant is dark grey with the text "FORWARD THINKING" in red and white. The top-right quadrant is dark grey with a white line-art icon of a head with an arrow pointing right. The bottom-left quadrant features two photographs: the top one shows a woman in a blue face mask looking at her phone in a hallway, and the bottom one shows a group of students with backpacks walking in a school hallway. The bottom-right quadrant is dark grey with white text that reads "Tech Solutions for the Safe Return to Work and School" and "Join our Virtual Trade Show Thursday, October 22 8:30 am - 5 pm PST". At the bottom center is the LightWerks logo, which consists of a red circle with a white lightning bolt and the word "LIGHTWERKS" in grey capital letters.
