About the participating organizations

Florida Mental Health Institute (FMHI) works to improve the lives of people with mental, addictive, and developmental disorders through research, training, and education. Established by the Florida legislature in 1967, the Institute is recognized as Florida's premier research and training center for behavioral health services and is a recognized national leader.

Counseling and Psychological Services (CAPS) is a free-of-charge campus agency at the University of Central Florida designated to provide psychological services to university-enrolled students.
