In a Covid -19 non contact environment, the company will purchase, package and deliver products such as groceries, home supplies and pharmaceuticals, just in time for the holidays"

Jermine Brooks, one of the founding partners

their company may not be the cure, yet is a way to ease the pain of being separated from family and loved ones during these unusual holiday times. Founded this year by four local business visionaries, [SPS Barrel Service](#) (Shop, pack & Ship) is a new entrant into an emerging segment of the supply industry known as online purchasing, packaging and delivery all from the safety of your computer online or via phone service, with clients world-wide.

"In a Covid -19 non contact environment, the company will purchase, package and deliver a variety of products such as groceries, home supplies and pharmaceuticals" says

Jermine Brooks on of the principal of SPS and founding member of the company. "Initially, it will primarily offer high-demand items such dry products and household items; however, over time the company will add any items as requested by our customers, it's the perfect way to reach those in need or for an emotional connection to family during the holidays".

The actual process of purchasing. packing, and shipping a barrel is as follows;

1. Customer purchases a pre-packed barrel by size; small, medium and large or;
2. Customer filled their custom order in our customization section.
3. Goods are purchased and then barrel is packed and sealed.
4. Barrel is then transported to the nearest port.
5. Barrel is packed on a freighter and shipped.
6. Barrel arrives at its final destination port.
7. Barrel is then cleared and picked up by the customer.

Also available:

- a) The "Pack Your Own" program, where the shipper can provide the items to be sent and SPS will deliver anywhere in the world.
- b) Non-profit discount of an immediate 5% off delivery services.

For the month of October and November, SPS is providing their HOLIDAY SPECIAL, SPS is making available their services discounted for 10% off of every order placed by the end of the month, membership into the SPS Cash Back Program that includes special pricing on many popular items and the SPS newsletter. This is SPS's way of making the world a little smaller and available to those who normally would not be able to reach those in need. SPS's goal is to create a service that is needed and necessary as we enter the era of the NEW NORMAL in our global lives.
