

Registration closing soon for Pre-filled Syringes East Coast 2020

SMi Reports: Pre-filled Syringes East Coast 2020 virtual conference only 2 weeks away

LONDON, KENSINGTON, UNITED KINGDOM, October 12, 2020

/EINPresswire.com/ -- The upcoming conference now only 2 weeks away will bring together specialists within the industry to provide an exclusive insight into the sphere of regulation, new digital technology trends, human studies and innovative design and delivery systems within the prefilled syringe industry.

Following the success of last year's event, the upcoming conference will cover key topics driving the industry including:

- Developments in device technology
- On-body Injectors
- Digital connectivity in the parenteral space
- A regulatory outlook with industry and recognised body experts
- Patient centricity and device development
- Lifecycle Management

View the programme online here: <http://www.pfsamericas.com/einpr12>

KEY REASONS TO ATTEND THE VIRTUAL CONFERENCE:

- Live and On Demand speaker content: Get access to the latest strategies and case studies from your marketplace online!
- Network with all the event attendees: Connect, see who's attending, chat and share contact details with all online delegates, speakers and sponsors
