Paladin helps businesses with Safety and Security during COVID - 19

VALLEY VIEW, OHIO, USA, October 13, 2020 /EINPresswire.com/ -- The shutdowns and business interruptions caused by the COVID - 19 epidemic have affected most companies and organizations. In many cases cash flows have become an issue!

Businesses and organizations rely on critical equipment such as Security Systems, Life Safety, Communications, and Professional Audio/Video to efficiently operate their day to day activities.

In order to assist businesses with their Safety, Security and Fire Alarm System needs, Paladin is offering Lease to Own Options on equipment and installation.

No matter the type of business, you need the proper equipment to efficiently compete and flourish. That is why Paladin has partnered with Lease Corporation of America to provide financing options so your business can reach its full potential. This partnership offers customers flexibility through creative payment terms.

Financing equipment allows you to obtain the equipment that you need NOW, without affecting your bank or credit lines. You need the right equipment to compete, be more efficient, and improve your security and safety.

There are many advantages to our Lease to Own Program which include:

- Saving Your Working Capital
- Finance the Complete Project Cost
- \$1 Purchase Option at Lease Term End
- Potential Tax Advantages
- Fixed monthly payments throughout the term

Potential Tax Advantage Section 179 of the IRS Tax Code allows businesses to deduct the full purchase price of qualifying equipment and/or software purchased or financed during the tax

year, up to \$1,000,000.

Paladin is a certified systems integrator helping businesses, organizations, building managers and schools improve their Life Safety, Security, CCTV, Access Control, Intrusion, Fire Alarm and Professional Audio Video Systems. Since 1990, Paladin has worked with many local companies, architects and the engineering community to develop custom-designed system solutions across the Greater Cleveland and Columbus areas. Today, Paladin also provides custom design and system planning in Pro Audio/Video, Intercom, Central and Stadium Sound, Distributed Audio/Video, Area of Rescue, and Apartment Entry.
