

iTech Solutions Inc (An Ampcus Company) hires Jamie Leone Petriashvili as its Director of Customer Success

iTech Solutions Inc announced the appointment of Jamie Leone Petriashvili as the Director of Customer Success.

FARMINGTON, CT, USA, October 13, 2020 /EINPresswire.com/ -- iTech Solutions Inc (An Ampcus Inc Company) is a provider of technology staffing and consulting services, today announced the appointment of Jamie Leone Petriashvili as the Director of

Customer Success. In this role, she will help iTech to grow its services and solutions nationally. She will be building, maintaining and growing strategic relationships with iTech customers.

“During this pandemic when most of companies are facing challenges, iTech continues to grow, so too has our need for leaders with deep staffing and consulting experience and an understanding of what it takes to realize the full benefits of accelerating the growth of business in this era ” said Ann Ramakumaran CEO, iTech Solutions Inc. “Jamie represents that and more. She brings with her a unique perspective on how to help our clients translate challenge into opportunity and disruption into competitive advantage. We are thrilled to have her on the team.”

“

Jamie brings with her a unique perspective on how to help our clients translate challenge into opportunity and disruption into competitive advantage. We are thrilled to have her on the team.”

Ann Ramakumaran , CEO

Jamie has over 15 years of business and IT experience helping staffing companies to transform, gain new

capabilities and improve performance. She recently served as the Program Manager of Tapfin(Manpower Group). At S3, where Jamie spent over 8 years helped to grow its customer base to a significant level as an account manager. She has also worked with Matlen Silver group and Kelly IT services.

Jamie said, "I have known about iTech as a competitor and I have always been fascinated with the professional and passionate team that iTech has built over its 25 plus years journey. I am excited to be in a position to help its existing customers realize the levels of success they can achieve by using iTech services."

iTech provides high-value, forward-thinking and flexible solutions to our clients. Our Global Delivery Model offers a unique blend of local management, supported by on-site, off-site and remote delivery which results in lower costs and faster speed-to-market. iTech has a flat/field-oriented management structure that enables quick and flexible responses to our clients. iTech is a certified Woman and Minority owned enterprise by the NMSDC and WBENC.

iTech was acquired early this year by Ampcus Inc. Ampcus specializes in Digital Transformation, Big Data, Analytics, Cyber Security, App Dev, IV&V, Testing, Infrastructure Management, Mobility and Enterprise-wide (ERP, CRM, EAI, BI) Services. Ampcus has a balanced client portfolio providing services to Commercial, Federal, State, Local and Non-Profit Organizations. We service various industries – Banking, Financial Services & Insurance (BFSI), Telecom & Media, Pharmaceuticals, Healthcare, Energy & Utilities, Engineering, Manufacturing and Non-Profit.
