“

It's the words between "I do," and "until death do us part," that destroy us. Pressure can create diamonds, but it can also create dust and when it's applied to our lives, we find out what we have.”

ABOUT THE AUTHOR

Timmothy B. McCann was born to tell stories, so luckily for him, written and spoken words came quickly. What started as charging football players in his dorm to pen love letters

for them grew to his first national bestselling novel entitled “*Until*.” Through his words, McCann hopes to inspire others, change hearts and minds for the greater good, and give voice to the voiceless. Previously the owner of a financial planning firm, McCann, is now a commercial real estate broker and Briar Crest e-publishing company owner in Atlanta.
