

CLE Companion Partners with Santa Barbara Paralegal Association to Certify CLE for Attendees of Virtual Conference

The SBPA, which has been promoting and educating paralegals since 1979, is known statewide for its innovative approach to meeting the needs of its membership.

AUSTIN, TEXAS, US, October 12, 2020 /EINPresswire.com/ -- [CLE Companion](#), a fully accredited and virtual continuing legal education provider, announced today its partnership with the Santa Barbara Paralegal Association ([SBPA](#)) to certify CLE for SBPA members attending its Virtual Conference November 2-6, 2020.

The SBPA, which has been promoting and educating paralegals since 1979, is known statewide for its innovative approach to meeting the needs of its membership.

“

We're excited that CLE Companion has partnered with us to make this a rewarding experience by introducing a way for attendees to satisfy their CLE requirement.”

April Norman, President of the SBPA

Its partnership with CLE Companion is a testament to that approach, making it possible for its attendees to conveniently satisfy their CLE requirement while attending the Virtual Conference.

SBPA members can access up to 10 hours of CLE, including 5 hours of ethics, for only \$95. Student members can access the material for \$55. Non-members are also welcome to participate in the offering for \$125. Attendees are encouraged to register [here](#).

The live kick-off event will be held on November 4, 2020

and will feature keynote speaker Santa Barbara Superior Court Judge Brian Hill (<https://www.sbcourts.org/gi/jo/hill.shtm>)

“This is a wonderful opportunity for our membership and other paralegals to come together and learn more about the law and our profession,” said April Norman, President of the SBPA. “We’re excited that CLE Companion has partnered with us to make this a rewarding experience by introducing a way for attendees to satisfy their CLE requirement, including 5 hours of much-sought after ethics MCLE credit.”

Kristin Davidson, the CEO and founder of CLE Companion, recognized early on that the pandemic was going to change the way legal professionals consume CLE, after it became problematic for them to travel and attend in-person conferences.

“We have experienced tremendous growth as law firms have looked for alternative ways to support their Attorneys in satisfying their CLE requirement,” said Davidson, noting the partnerships she has forged with Reynen Court, Lawyers of Distinction, etc.

“In the instance, the SBPA leadership deserves credit for thinking outside the box when it comes to providing for its membership. We are excited to be the association’s partner in this innovative undertaking of a Virtual Conference.”

Critical to the partnership’s formation was CLE Companion’s continuing work with Peachtree Legal Support, according to Davidson. SBPA Vice President of Programs, Jessica Holden Hawley of Peachtree Legal Support added that the opportunity to work with a visionary woman-owned business was not lost on her or the association’s team. “My relationship with Kristin and CLE Companion made this a perfect fit,” she said. “I fully trust Kristin’s expertise in the CLE space, and that trust has been rewarded as we forged this agreement.”
