Author Ashley Addison is a writer in the prime of her life.

Originally from New York, she chose to make her home in the

Pacific Northwest two decades ago; she is still not certain she likes it very much. An accomplished real estate professional, home decorator, water colorist, and closet baker, Ms. Addison presents the first book in the Vivianne Murphy novel series. Real Estate, Murder, and Mayhem is co-authored with Sassy, her rat terrier mix breed dog, who believes she is descended from royalty and prefers to be addressed as Princess Sassy.
